

Model T-1117

Hydraulic Power Bowl Tilter

The new Model T-1117 Hydraulic Tilting Bowl Dumper (HTBD) from Topos Mondial Corp. is suitable for use with all of the Topos mixing bowls and troughs. The tilter can be customized to accept other bowls and troughs as well. It features all heavy-duty stainless steel construction, and the dump heights are built to the customers' specifications (usually within 36" to 50"). The tilter is capable of tilting bowls or troughs to the left or right. It has a compact footprint, and the dumping is easy to operate requiring minimal maintenance. It is mobile, heavy duty and built to a sanitary design.
