Hydraulic Powered Bowl & Trough Tilter-Dumper

The new model T-1117 hydraulic tilting bowl dumper (HTBD) from Topos is suitable for use with all of the Topos mixing bowls and troughs. The tilter can be customized to accept other bowls and troughs as well. It features all heavy-duty stainless steel construction, and dump heights are built to specification - usually within 36" to 50". It has a compact footprint, and the dumping is easy to operate requiring minimal maintenance. It is mobile, heavy duty and built with sanitary requirements in mind.

Standard Features

Dumping Position Shown with 'Artofex' mixer bowl

Topos trough or tote

Shown with Topos mixing bowl and a pouring chute
