

# Topos Accessories for the AMF 340 qt. Glen Mixer

The accessories below are available new and pre-owned! Pre-owned accessories subject to inventory at time of call.

1. **Glen 340 Bowls** have a capacity of 340 qts. (322 liters). They are available in stainless steel with various attachments. The bowl illustrated is a standard bowl with handles.
2. **Heavy Duty Spiral Whip with Center Post** for aeration, foaming, and whipping food preparations as well as other products. This design is improved with a "cone" end on the center post.
3. **Four-Wing with Rubber Edge** for mixing, ingredient incorporation, blending, and beating.
4. **Lewellen Wood Cleated Drive Belt** for pre-owned and remanufactured AMF 340 qt Glen bakery mixers.
5. **Two-Wing Multi-Fin** for rapid incorporation of wet and dry materials or ingredients.
6. **Abrasive Beater** for blending abrasive compounds, abrasion wheel mixes and similar products.
7. **Two-Wing with Rubber Edge** for mixing cupcake batters and other cake batter batches in which whipping cream is not desired and mixing is short.
8. **340 Bowl Truck** is a steel weldment. Coated in 'Steel-it' with poly wheels to original equipment specifications.
9. **Stainless Steel Dough Hook** for food product mixing, especially suitable for stiff dough used in cookie, pastry, and snack food production.
10. **Cookie Hook with Rubber Edge** for cookie dough mixing.

Topos offers pre-owned and remanufactured AMF 340 qt. Glen Mixers!

Also available: New stainless steel OSHA bowl guards with split center opening feature.
